

PARLOUR 1886

Thank you for dining with us at Parlour 1886. The Elgin Hotel was built in 1886 and in the historical records it is noted that the Elgin had a double parlor. Hence, the name Parlour 1886. A parlour or parlor is a room in a public building for receiving guests where they can sit, talk and relax. This is exactly what we hope that Parlour 1886 is for you, our guest.
